

\$300.00 Rebate Update

All eligible customers will receive a \$300.00 rebate instead of the originally announced \$150.00 rebate in total on their power bill. This rebate will be implemented over a six month period with credits of \$50.00 applied each month. The first rebate was displayed on the June 2022 power bill, received in July.

The remaining five \$50.00 rebates will be displayed on July and August, September, October and November power bills.

2022 Scholarship Recipients

The Wild Rose REA Ltd. Scholarship was created to recognize the academic accomplishments of Wild Rose REA Ltd. Members, and their children. As well as to assist and encourage further education for the betterment of our community. A total of nine scholarships were awarded in 2022. The first five recipients were featured in our July 2022 Newsletter and the remaining four are pictured below.

Row 1: Amber Chapotelle, Marlea Seatter and Camryn Wiegand.

Row 2: Nelson Letts

Congratulations to all of the 2022 recipients!

To apply for the 2023 Scholarship, please visit us online at www.wildrosera.com/community.

Guy Wire Cattle Guards

Did you know that cattle or other livestock rubbing against guy wires and power poles is a safety risk as they can cause the guy wire to vibrate and result in a power outage.

If you have cattle that are rubbing on a pole or a guy wire, a cattle guard may need to be installed by the landowner to prevent damage and potential outages.

A simple triangle formation can prevent access to a guy wire as outlined in the cattle guard photo.

Click Before You Dig!

If you are thinking of tackling a summer project around your yard such as planting a garden, planting trees, building a new deck or fence or completing any digging at all, please contact Click Before You Dig ahead of starting.

With safety in mind, **ALWAYS** ensure you **CLICK BEFORE YOU DIG**.

Contact Utility Safety Partners to submit a line locate request. They require a minimum of 3 working days notice to process your request. <https://utilitypartners.ca/>

Upon receiving a locate request, we will locate the primary underground main power lines that go up to the meter free of charge. Any secondary lines from the meter / transformer pole are the responsibility of the property owner. If you require secondary lines located, please contact the office.
